Yealink T33G Desk Phone (PoE, no power supply)

SL-SIP-T33G

PHONES & HEADSETS

An entry-level SIP desk phone with a 2.4-inch color screen, 4 line keys and dual Gigabit Ethernet ports. It is a good fit for general office desks, break rooms and shared areas where users need reliable calling without advanced features. This version ships without a power supply and is powered by PoE from the network switch.
